

Kansellasië George Landbou Skou 2020 :

Weens die deurlopende beperkings op sosiale geleenthede en byeenkomste tydens die onderskeie vlakke van die nasionale COVID-19-inperkings, is dit met groot hartseer dat die 160ste George Landbouskou gekanselleer word. Vanjaar se skou (27 – 28 Aug'2020) word uitgestel na 26 – 28 Aug'2021

Die skouraad voel dat in die lig van die huidige COVID-19 risiko-aanpassings en strukture wat deur die regering ingestel is, die veiligheid van ons ondersteuners en uitstallers eerste prioriteit is.

Hou gerus ons sosiale media bladsye dop vir verdere inligting en om te sien hoe vorder ons reelings vir 2021.

Die skouraad bly dankbaar vir jul onbaatsugtige ondersteuning en ons sien uit na groot dinge vir 2021!!

Vir eers, wees veilig!

Cancellation of the 2020 George Agricultural Show:

Due to the ongoing restrictions on social events and gatherings during the various levels of the national COVID-19 restriction, it is with great sadness that the 160th George Agricultural Show is cancelled. This year's show (27 - 28 Aug'2020) is postponed to 26 - 28 Aug'2021.

The show feels that, given the current COVID-19 risk adjustments and structures that have been introduced by the government, the safety of our supporters and exhibitors is a top priority.

Please watch our social media pages for further information and to see how our arrangements for 2021 are progressing.

The show council remains grateful for your selfless support and we look forward to great things for 2021 !!

Please stay safe!
